Canberra Hospital presents...

pumps for PatCH

PatCH

A gala evening of dance and entertainment!

This evening spectacular will feature dance, singing and other performances by talented children from local dance studios and other organisations. Join us to help raise funds for the 'Pumps for PatCH' charity which purchases insulin pumps for paediatric diabetes patients to assist in stabilising their insulin levels without the necessity for administering daily injections. The pumps make living with Type 1 diabetes more manageable.

All proceeds from this event go towards Paediatrics at the Canberra Hospital
