

the HARRISONS

BIO

The Harrison's are brother and sister, Glen and Kaylee. From Schofields in Sydney's Northwest, this pair is fast making name for themselves.

Featuring close knit harmonies, Kaylee's emotive vocal and Glen's soulful guitar, the pair presents a contemporary country / rock / pop sound with influences from Rascal Flats to Dire Straits and The Eagles to Lady Antebellum.

The Harrison's talent has been recognised by some of Australia's best singer/songwriters and music industry professionals. As a result they have been invited to perform at CMC Rocks the Snowys in March 2010.

The Harrison's were 2009 finalists in the CCMA quest at Tamworth and the Open Talent Quest at the Urban Country Music Festival, Recording Prize Winners in the 2009 Jazzer Quest and Winners of the 2KA Search for a Star Talent Quest.

The Harrison's are looking forward to playing to music fans in 2010, while continuing to write and collate new material.
